

**Yes, you can.®**

Invacare® AVIVA™ FX Power Wheelchair  
with Captain's Seat & LiNX Electronics

## Thank you for using Invacare eForms.

Invacare is pleased to offer you an upgraded solution to your ordering process. Our enhanced order forms allow you to fill out a form electronically, print and fax the form, save and email\* it to Customer Service, or maintain the business practices that work for you today. The format has been revised to reveal a cleaner look with electronic selection and input functions.

For additional information please visit [www.invacare.com/eForms](http://www.invacare.com/eForms)

## Adobe Acrobat Reader DC

\* Interactive functions of our new forms work best with the latest version of Adobe Acrobat Reader DC visit <https://get.adobe.com/reader/> to download and install on your PC or Mac or visit Google Play/ iTunes to download the Adobe Acrobat Reader DC app for your device.

### Save

Adobe Acrobat Reader DC allows you to save this form with your content - to complete later or use as a starting point for your next form. Please note that content must be added and saved in Acrobat - saving content from completed forms in the browser may not be possible.

### Submit

Adobe Acrobat Reader DC allows you to submit this form electronically via your email client.

Simply click the submit button below and step through the simple process.

SUBMIT

### Print

If you do not have access to Adobe Acrobat Reader DC simply print this form and complete it by hand and fax it to our Customer Service Department at:

**800-678-4682**
